

## **My Testimony**

12 - 2013

I want to tell everyone that my God can do the impossible!  
He has healed me from near death and brought me back.

When I came into our local hospital in Madisonville, KY, my oxygen level was very low. I was put into a seven-day sedated state and then brought out!

I had a dream and in this dream God wanted me to share with as many people as possible that He is still on His throne and can do the impossible! Continue to pray for me. Thank you in advance for your prayers.”
